SOLUTIONS FOR BUSINESS PRINTING

MIP480

The MIP480 is an impact printer, designed primarily for delivery note printing in commercial vans and trucks. It is ideally suited for truck operation where it can be powered from the vehicle's battery.

It can print up to 480 characters per second (400 cps at 10 characters per inch) and its 24-wire print head produces exceedingly clear text and graphic output on up to 4-part continuous and single sheet forms.
